This is your unique passcode grid for multi-factor authentication with the CRA. You will need to keep it with your records. We will ask you for information from this passcode grid every time you sign in.

Expiry date of your passcode grid: **May 25, 2027**

	A	B	C	D	E
1	XKH	GUJ	IDZ	BXK	LYW
2	UTX	MFL	WBD	GEA	WNK
3	AWG	WNE	ZXN	HEB	GDL

If you do not think you will sign in again before your passcode grid expires you can generate a new one or manage your multi-factor authentication options by accessing "Multi-factor authentication" within "Security settings" on the CRA Account Welcome page.

We recommend that you set up at least two ways to use multi-factor authentication, in case you experience difficulties with the option you initially selected.
